### WARNING: Rattlesnake Danger

Rattlesnakes have been found in the fields, woods, and the backyard.  
Please stay on paths. Watch for snakes.  
Rattlesnakes are poisonous.

**NOTE:** This map shows all Major Trails, as well as the Minor Trails that are most often used. There are several Minor Trails which are not shown on this map.

Please let us know if anything needs our attention, or if you find something really exciting.
